- Teamwork
- Time management
- Creativity
- Stress management

Experience

PASHA Bank OJSC

Front-End Developer Intern
June 2024 – Present

- Developed and maintained unit tests for various components and pages, ensuring code reliability and reducing potential bugs
- I worked on the online banking application, as well as on the video verification and onboarding apps, contributing to an enhanced user experience

Buta Group Azerbaijan

Front-End Developer Intern
April 2024 – June 2024

- Participated in numerous training sessions covering various IT topics, enhancing both technical and industry knowledge
- Actively contributed to front-end projects, applying skills in HTML, CSS, JavaScript, and React to develop userfriendly web interfaces.

“Binary School” under “GUYS” Public Union

Front-end mentor and Project Manager
June 2023 – March 2024

- As a Front-End Mentor, I guided aspiring developers through core web development concepts and provided detailed code reviews to enhance their skills.
- Together with the team I worked with, I took on a leadership role in the management of successfully completed projects and forums.

Achievement

- The Winner of “Əlaçı” Scholarship by “PASHA Holding” LLC
- TOP 100 talented participants in the “Future Shapers 2.0” program by Pasha Hub
- “Technest” Scholarship program winner by “Innovation and Digital Development agency”

Language

Azerbaijani-Native language
English – Intermediate
