About Me

I am highly skilled front-end developer in creating responsive and user-friendly web interfaces. I am passionate about crafting visually appealing and intuitive user experiences. I am seeking Front-End Developer position to improve in-depth knowledge via working in development teams and professionals.

Experience

"Binary School" under "GUYS" Public Union
Front-end mentor and Project Manager

June 2023 - Present

Key responsibilities:

- Conducted coaching sessions to assist mentees in understanding and applying best practices in front-end development
- Together with the team I worked with, I took on a leadership role in the management of successfully completed projects and forums.

Achievement

- The Winner of "Əlaçı" Scholarship by "PASHA Holding" LLC
- Golden Degree Diploma of Successful Completion of IT Brains Academy

Education

High School
University Entry Exam: 630/700

The Academy of Public Administration under the President of the Republic of Azerbaijan
Computer Science | 3.8 GPA | September 2020 - Present

IT Brains Academy
Front-End Programming | October 2022-March 2023

IT Brains Academy
Back-End Programming (Java) Technest Scholarship |
December 2023 - Present
